New Academic Year Welcome

A very warm welcome to our pupils and families for another exciting year. We hope you had an enjoyable and healthy summer break. Thank you for your kind words following the publication of our Estyn report. We are so proud of the pupils and our school and the statements within this report.

In terms of the recommendation from Estyn around a 'health and safety' matter, this regards the erection of security fencing in the top playground, which began during the summer holidays.

A reminder that all **full time** pupils are able to receive a free meal from the canteen.
